Testimonies

"The program was an unforgettable week for me that I do not think I can experience anywhere else."

Roseldania binti Shahrunnizan
University Tenaga Nasional, MY

"Beyond the academic learning, the program allowed me to build lasting friendships with participants from different countries, improve my communication and teamwork skills, and develop a greater appreciation for cultural diversity."

Michael Aaron P. Serraon
Mapua University, PH

"The warmth, generosity, and incredible support we received made us feel completely at home, allowing us to focus entirely on learning, connecting, and enjoying the experience."

Hang Ratvanarak
Camtech University, KH

"The program was a perfect balance between education and fun. I left with a much deeper appreciation for Indonesian culture, new international friendships, and plenty of memories I'll never forget."

Mira Mohammad Pharaon
Abu Dhabi University, UAE

"What I enjoyed most was the combination of learning and cultural activities; each day offered a new experience, connecting me with different people and cultures."

Mohammed Ibrahim Younis Hilwa
Al-Quds University, PS

"Overall, this program was a truly unforgettable and meaningful experience for me. It not only contributed to my academic development but also helped me grow personally by stepping out of my comfort zone and connecting with people from different cultures."

Narmin Gasimzade
Anadolu University, TR

"I was able to realize just how diverse individuals' opinions and values can be, while also discovering how similar we can be at the same time. The program was well-balanced between lectures and hands-on field experiences, guiding us in a way that never felt tiring or dull."

Yunhye Cho
CHA University, KR

"The program was an enriching and unforgettable experience. It improved my understanding of sustainability while strengthening my teamwork, communication, and problem-solving skills."

Ahmed Hussain Rza
Shoolini University, IN

"I did not expect this program to be so incredibly rich and packed with experiences. Connecting with participants from so many different countries, each bringing their own unique perspectives, made this the coolest program I have ever experienced."

Aiyem Mynbay
Almaty Management University, KZ
