Programme Target

➤ **hundreds**
of Green ideas brainstormed

➤ **200+**
permanent trees planted

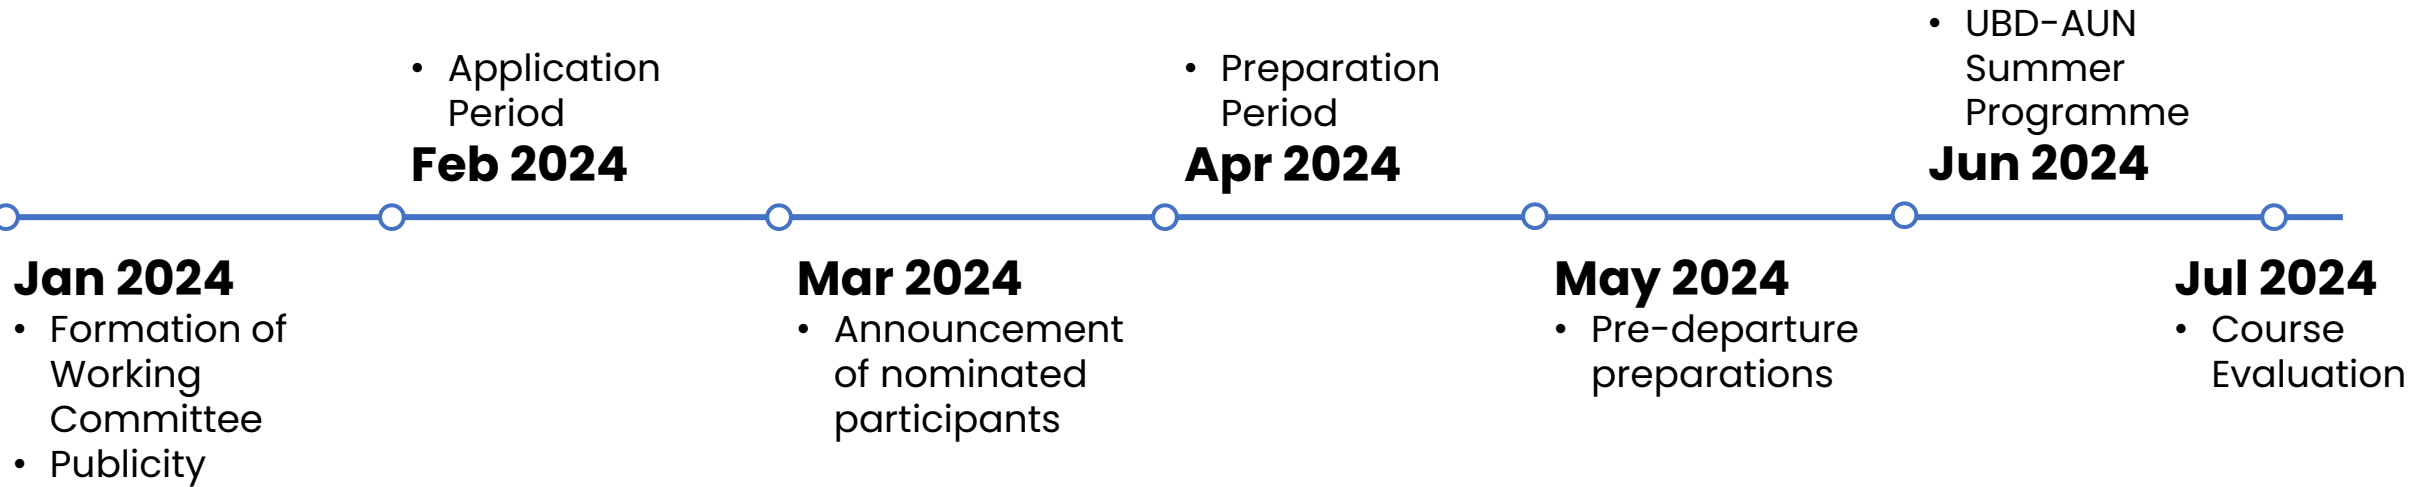

➤ **200+**
Inspired future-ready youths towards
a sustainable future

➤ **Common Goals**
Towards achieving the SDGs for a
more sustainable and resilient world

Programme Timeline

An aerial photograph of the Universiti Bandaraya (UBD) campus at dusk. The campus features several modern buildings with white and blue facades, a prominent circular building with a yellow roof, and a long, curved walkway. The campus is surrounded by lush green trees and a parking lot. In the background, a city skyline is visible under a dramatic sky with orange and pink clouds.

See you at
UBD
in June!
