Position: **Junior DevOps Engineer (Golang)**

Our Company

BioTuring is an innovative bioinformatics company based in San Diego, USA. Founded in 2016, the company has developed transformational bioinformatics platforms for sequencing data analysis, enabling scientists to gain valuable insights from biological data in an interactive, fast, and accurate approach. BioTuring helps accelerate life sciences and nourishes computational minds.

Role Description

We are seeking a talented Junior DevOps Engineer (GO) to join our team and play a critical role in developing and maintaining robust software applications.

Key Responsibilities

- Develop clean, maintainable, and efficient code using Golang, adhering to best practices and leveraging concurrency features effectively.
- Utilize Linux and Docker effectively to manage dependencies, containerize applications, and ensure smooth deployments.
- Design and implement software solutions with a solid understanding of software architecture principles (e.g., scalability, modularity).
- Collaborate effectively with developers and other stakeholders to understand requirements and deliver solutions.
- Solid knowledge of algorithms and data structures.

Requirements

- 2+ years of proven experience building software applications with Golang
- Solid understanding of Linux system administration and command line tools
- Proficiency with Docker and containerization concepts.
- Experience with software design principles and a passion for creating maintainable and scalable solutions
- Excellent communication and collaboration skills
- Problem-solving skills and a commitment to delivering high-quality code

Preferably if you

- Had experience in DevOps / Data Engineer position
- Had experience working with SQL / Elasticsearch / Object Storage in go.

We Offer

- Competitive salary and benefits package.
- Lunch prepared by the Company.
- Flexible working hours.
- A collaborative and supportive work environment.
- A chance to learn and grow your career in a rapidly evolving field.
- Insurance benefit (Bao Viet Insurance) for employees after 1 year and above of employment.
