MAY 27TH, 2025 - HO CHI MINH CITY

KEYNOTE SESSIONS

Objectives

Engaging sessions held throughout the day, featuring renowned leaders from the business world.

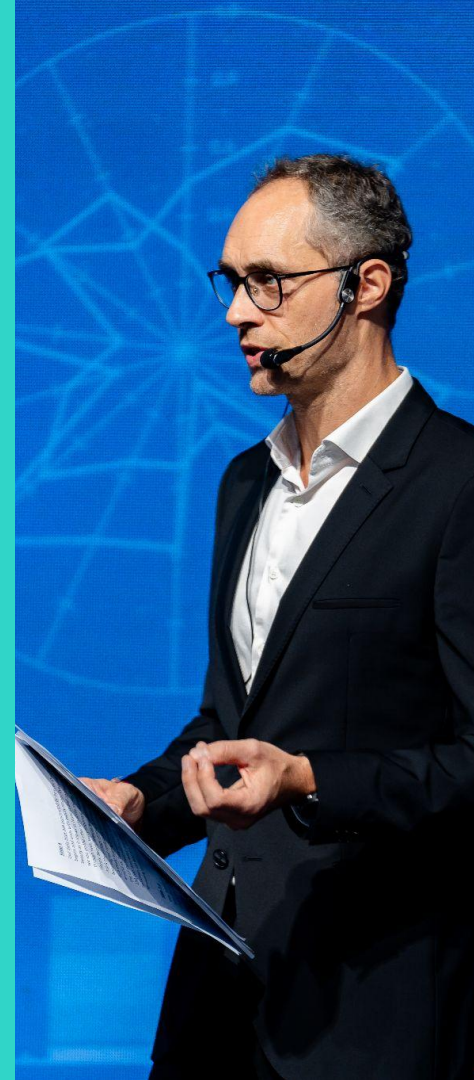

Esteemed speakers will share their key insights, accomplishments, and the challenges they anticipate for the future.

Speakers

From startups to large corporations, spanning both private and public sectors, with strong representation from the French ecosystem.

Format

10 to 15 minutes stand up for each speaker
- With Slides - 5-minute Q&A

ROUNDTABLES

Objectives

Three roundtables featuring industry experts delving into innovations and challenges within their fields.

Interactive discussions provide participants with the opportunity to explore emerging trends and engage directly with the speakers.

Participants

From startups to large corporations, spanning both private and public sectors, with strong representation from the French ecosystem.

Format

20-minute roundtable with 2-4 panellists and 1 moderator - No slides - 10-minute Q&A

STARTUP PITCH

Objectives

The CCIFV Booster, in partnership with La French Tech Vietnam, will continue and highlight their mission through this event.

This is an opportunity for the local tech startup community to present their projects to an engaged audience and a distinguished panel of judges.

Participants

Pre-selected Startups on the Vietnamese market
(15 to 20 max)

Format

5-minute pitch per startup
5-minute Q&A from the jury
