JOB DESCRIPTION
FULL STACK DEVELOPER INTERN

Job Title	Full Stack Developer Intern
Location	1st & 2nd Floor, Room 201, D.C Tower, 111D Ly Chinh Thang, Vo Thi Sau Ward, District 3, HCM city
Internship Type	[Full-time/Part-time]
Duration	03 months

Job Overview

We are looking for a passionate and motivated Full Stack Developer Intern to join our development team. This internship provides a hands-on opportunity to work on real-world projects involving both front-end and back-end development. You will gain valuable experience in building modern web applications, managing databases, and collaborating in a professional development environment.

Key Responsibilities

- Software Development:
  - Build responsive and interactive user interfaces using HTML, CSS, JavaScript, React.js, Next.js, Angular, and AngularJS.
  - Develop server-side logic using Node.js and Express.js.
  - Design and integrate RESTful APIs and GraphQL services.
- Data Management:
  - Integrate and manage databases such as MongoDB.

- Code Testing and Debugging:
  - Write unit tests and participate in code reviews.
  - Debug and troubleshoot software issues.
- Project Collaboration:
  - Use Git for version control.
  - Collaborate with team members to manage code and track project progress.
- Technical Problem Solving:
  - Analyze and resolve technical challenges during development.

Technologies You Will Work With

- Frontend: HTML, CSS, JavaScript, React.js, Next.js, Angular, AngularJS
- Backend: Node.js, Express.js
- APIs: RESTful APIs, GraphQL
- Database: MongoDB
- Tools: Git

Qualifications

- Currently pursuing a degree in Computer Science, Software Engineering, or related fields.
- Basic understanding of web development concepts.
- Basic proficiency in programming languages such as JavaScript is required
- Familiarity with React, Node.js, or Next.js is a plus.
- Strong analytical and logical thinking skills
- Good communication and teamwork skills.

What You Will Gain

- Hands-on experience with modern web technologies and frameworks.

- Exposure to the full software development lifecycle (SDLC).

- Mentorship and guidance from experienced developers.

- Opportunities to work on real-world products and make meaningful contributions.

Benefits

- Attractive allowance: We value your skills and contributions. You will receive a competitive allowance - we don't believe in working for free.

- Free pantry access: You will have free access to the pantry amenities, including drinks and snacks.

- Full-time opportunity: If you demonstrate strong performance, you will have an opportunity to transition into a full-time role after the internship.

- International working environment: Work in a global setting, where you can learn and grow alongside colleagues from various countries and cultures.
