## **JOB DESCRIPTION**

### **UI DESIGNER INTERN**

|                 |  |
|-----------------|--|
| Job Title       | UI Designer Intern   |
| Location        | 1st & 2nd Floor, Room 201, D.C Tower, 111D Ly Chinh Thang, Vo Thi Sau Ward, District 3, HCM city |
| Internship Type | Part-Time  |

### Job Overview

We’re looking for a **creative and detail-oriented UI Designer Intern** to join our team. You’ll design user interfaces for web and mobile apps, working closely with PMs and engineers to turn ideas into intuitive experiences. This role suits someone who’s eager to learn, open to feedback, and adaptable in a fast-paced environment. Love great design? Come build it with us.

### What You’ll Be Doing

As a UI Design Intern, you’ll help create user-friendly, visually appealing interfaces for web and mobile platforms. Your responsibilities will include, but are not limited to:

- **Design UI for Web & App:** Research and design intuitive user interfaces using **Figma and Adobe tools**.
- **Collaborate with Product & Engineering Teams:** Work closely to ensure designs align with requirements and project timelines.
- **Apply Feedback:** Revise and improve designs based on internal reviews and user feedback.
- **Maintain Visual Quality:** Support consistency in visual style, layout, and user experience across the product.
- **Meet Deadlines:** Deliver high-quality work while managing your time effectively.

## Your Skills And Experience

### Must have:

- Currently pursuing a degree in **Design, UI/UX, Multimedia, or related fields**
- Basic proficiency in **Figma** for designing user interfaces
- Solid skills in **Adobe Photoshop** and **Illustrator**
- Strong aesthetic sense and awareness of user behavior
- Good teamwork and communication skills
- Ability to manage time and meet deadlines
- Professional mindset and willingness to take ownership of work

### Nice to have:

- Familiarity with prototyping and wireframing techniques
- An interest in mobile-responsive design or learning how design systems work
- Basic understanding or curiosity about UX principles

### Benefits

- Monthly allowance (**based on working hours**)
- Hands-on experience with real projects and **on-the-job training** guided by experienced mentors.
- Yearly team outings and events.
- Working hours are flexible from Monday to Friday, **depending on your schedule.**
- Free drinks, snacks, parking, and access to internal clubs.

Together, we can achieve great things and make a lasting impact in the industry. Join us on this exciting journey!
